FOR IMMEDIATE RELEASE

### **Media open house for renovated fraternity to highlight safety features**

**WHAT:** Media tour of the Pi Kappa Alpha fraternity house, 916 S. Providence Rd., Columbia, Mo.

**WHEN:** Wednesday, July 22, 2009, 10:00 a.m.

**WHY:** Tour the newly-renovated Pi Kappa Alpha house to see the fraternity's life safety and ADA features. Randy Coil of Coil Construction and Pi Kappa Alpha alum Mark Timberlake of Timberlake Engineering will be available to respond to questions.

The fraternity house's life safety features include:

- Automatic sprinkler system compliant with NFPA 13R
- Automatic alarm notification system
- Fire-rated barriers separating sleeping quarters
- Electrical system brought up to current code

Additional ADA accessibility renovations include:

- Second stair tower with a stairway lift
- ADA accessible living suites on main level
- ADA compliant parking spaces and a ramp to the covered front porch
- Code compliant means of egress

Coil Construction specializes in institutional, retail, professional and industrial construction throughout the Midwest, with an emphasis on construction projects in Missouri.
